Brown Sugar Chocolate Chip Cookies

By Test Kitchen

A classic cookie with crisp edges and a soft middle.

Servings: 36Prep time: 20 minutesCook time: 11 minutes

Ingredients

- 2 1/2 cups all-purpose flour
- 1 teaspoon baking soda
- 1/2 teaspoon fine sea salt
- 1 cup (2 sticks) unsalted butter, softened
- 3/4 cup granulated sugar
- 3/4 cup packed light brown sugar
- 2 large eggs
- 2 teaspoons pure vanilla extract
- 2 cups semisweet chocolate chips
- 1 cup chopped walnuts (optional)
- Flaky salt, for finishing
- 1 tablespoon whole milk

Directions

1. Heat the oven to 375 degrees F and line two baking sheets with parchment paper.
2. Whisk the flour, baking soda and salt together in a medium bowl and set it aside while you prepare the butter mixture.
3. Beat the butter with both sugars in a large bowl until the mixture is pale and fluffy, about 3 minutes, scraping down the sides of the bowl once or twice.
4. Add the eggs one at a time, beating well after each addition, then beat in the vanilla and the milk.
5. Stir in the flour mixture just until no dry streaks remain, then fold in the chocolate chips and the walnuts.
6. Scoop rounded tablespoons of dough onto the prepared sheets, leaving 2 inches between them, and sprinkle with flaky salt.
7. Bake for 9 to 11 minutes, until the edges are golden but the centers still look soft.
8. Cool on the sheets for 5 minutes, then move the cookies to a rack to cool completely.

Notes

Dough keeps in the refrigerator for 3 days.
